Why LX Hausys Interior Film

Quality Design

LX Hausys Interior Film offers a variety of unique, designs and real feel textures, enhancing visual appeal and style.

Easy Installation

LX Hausys Interior Film is a self-adhesive film that is simple to apply and ensures flawless finishes on complex shapes. Air-free channels in the adhesive reduce the time of installation by preventing the formation of air-bubbles.

Superior Fire Resistance

LX Hausys Interior Film ensures top fire safety classification meeting IMO Res. MSC.307(88)- (2010 FTP Code) for marine and BS EN 13501-1:2018 for building elements.

Module B : 74092/A0
Module D : SMS.MED2.D/110255/C.0

Certification no. : 1121-CPR-KA5008
Performance : B-s1, d0

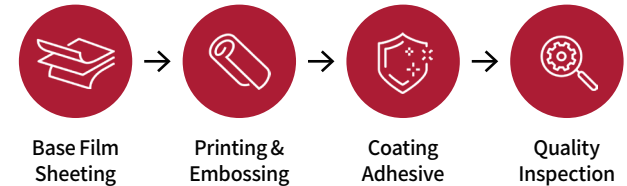

Reliable Supply & Swift Delivery

LX Hausys Interior Film operates an adequate inventory of approximately 400 colors that are IMO certified according to the sales flow to ensure prompt delivery to customers under a stable and controlled system.

Effective Quality Management

We maintain consistent and standard quality products by producing our core processes in-house and conducting ongoing inspections, as well as responding quickly to product defects and taking immediate action to prevent recurrence.
